Fundraiser Information

Our new artists cards released in 2021 have nearly sold out already! We need more please. This will be both a way to showcase your updated practice, as well as participate in a fundraising drive for FPS. A selection of designs will be for sale at FPS and priced at \$4 with all proceeds of those sales going to FPS to support our many programs and maintain our facilities while promoting our extremely talented members!

This year we are opening up the opportunity to all members to have 50 cards (25 cards of 2 different designs) printed for themselves (including envelopes and plastic sleeves). FPS will then select 30 designs from participating artists to be sold at FPS.
